(312) 590-7355  
2133 N. Oakley Ave / Apt 3 / Chicago IL 60647

## Objectives

Seeking a full-time position with a focus on combining Strategic and Interaction Design in a dynamic and challenging environment.

## Professional Experience

### Interaction/Strategic Design Intern

Teague, WA June 2010 - August 2010

- Designed and facilitated client facing, concept generation workshops.
- Developed game console accessory concepts and supporting business cases.
- Developed application interfaces from concept development to flash prototypes.

### Freelance Web Designer

Travelling, World July 2007 - August 2008

- Designed and implemented an artist's portfolio site in 2 days.
- Redesigned a communications coaching website.
- Designed and implemented a commercial website for a baseball training device. This entailed implementing a shopping cart using PHP.

### Professional Services Engineer / Manager

Omniure, CA Nov 2004 - Apr 2007

- Designed and implemented innovative client solutions tailored to specific requirements.
- Designed search interfaces (interaction and layout) using client input, and companies' best practices.
- Responsible for training clients and coworkers on product functionality, implementation processes and best practices.
- Managed engineers, responsibilities included assigning work, maintaining timelines and project plans and quality control.

### Reporting / Technical Support Specialist

Middlebury College, VT Jul 2002 - Sept 2004

- Provided database programming and reporting for a multi-disciplinary team in the implementation of a new, system-wide data infrastructure.
- Responsible for developing campus-wide reporting structure and methodologies.
- Designed and implemented a travel itinerary application that scheduled, and tracked all appointments made by admissions officers.

### Web Developer

Middlebury College, VT Sept 1998 - Jun 2002

- Designed and maintained the Middlebury College Dining Services website. Responsibilities included developing custom web functionality, maintaining site consistency and content management.

### Programming

- Adobe Flex
- ActionScript 3.0
- HTML
- CSS
- XML
- JavaScript
- PHP
- Perl
- SQL (My and PL)
- Java
- C++

## About

I travelled around the world for a year before starting graduate school. Besides design, one of my passions is Capoeira, a Brazilian dance/martial art. Through this I have learned to speak a little Portuguese (conversational)
